EAU Crystal Matula Award 2022

For a young promising European urologist

The **EAU Crystal Matula Award 2022** is the most prestigious prize given to a young promising European urologist aged 40 or under who has the potential to become one of the future leaders in academic European urology. The award will be presented at the Opening Ceremony of the upcoming 37th Annual EAU Congress in Amsterdam, 18-21 March 2022, during the Opening Ceremony.

The list of previous awardees includes many well-known names: V. Phé (2021), D. Tilki (2020), M. Albersen (2019), S. Silay (2018), C. Gratzke (2017), A. Briganti (2016), M. Rouprêt (2015), S. Shariat (2014), P. Boström (2013), P. Bastian (2012), S. Joniau (2011), J. Catto (2010), M. Ribal (2009), V. Ficarra (2008), M. Michel (2007), A. De La Taille (2006), M. Matikainen (2005), P. Mulders (2004), B. Malavaud (2003), M. Kuczyk (2002), B. Djavan (2001), A. Zlotta (2000), G. Thalmann (1999), F. Montorsi (1998), F. Hamdy (1996).

Nomination Process
National Societies can nominate a candidate by supplying the following documents:
- Letter of endorsement
- Motivation letter
- Complete curriculum vitae
- List of publications in the below sequence:
  1. Peer reviewed papers (including the impact factors of the journals)
     - Original articles
     - Reviews
     - Case reports
  2. Book chapters or editor of books
     - Overview of grants received from (inter-)national institutions or from the industry
     - List of received Awards
- The deadline for nomination is 1 November 2021.

Please note that eligible candidates can also apply for this award by contacting their national urological society directly. The candidate is then expected to supply his/her national society with a CV and the above mentioned documents, requesting a letter of endorsement.

How to apply
Please send your nominations to the EAU Central Office at m.smink@uroweb.org and mention "EAU Crystal Matula Award 2022" in the subject line of your e-mail.

The EAU Crystal Matula Award is supported by a grant of €10,000 from LABORIE.
