

EAU19 | BARCELONA

15-19 March 2019
Cutting-edge Science at Europe's largest Urology Congress

Time frame industry session

15 September 2018

Deadline programme, chair, speakers and aims & objectives

Companies should send their full programme (including chair, speaker and names, lecture titles and aims & objectives) to the EAU Congress Office. Programmes need to be approved by the EAU Executive Committee.

Speakers will be officially invited by the EAU Congress Office, unless agreed otherwise.

It is NOT allowed for a chair or speaker to participate in more than one industry session.

September 2018

Confirmation of time slots by EAU

The allocation of timeslots will be made by the EAU Executive Committee, taking into account:

- Level of sponsorship
- Date of receipt request
- Not too much overlap of topics per day.

September 2018

Contracts will be sent out to the sponsoring companies

October 2018

Full programme will be put on the EAU19 Barcelona website

The Registration for the Congress will open, which means a lot of traffic on the Congress Website, where your session will be highlighted.
