The **EAU Crystal Matula Award 2024** is the most prestigious prize given to a young promising European urologist aged 40 or under who has the potential to become one of the future leaders in academic European urology. The award will be presented at the Opening Ceremony of the upcoming 39th Annual EAU Congress in Paris, 5-8 April 2024.

Nomination Process

National Societies can nominate a candidate by supplying the following documents:

- Letter of endorsement
- Motivation letter
- Complete curriculum vitae
- List of publications in the below sequence:
 1. Peer reviewed papers (including the impact factors of the journals)
 - Original articles
 - Reviews
 - Case reports
 2. Book chapters or editor of books
 - Overview of grants received from (inter-) national institutions or from the industry
 - List of received Awards

- The deadline for nomination is 1 November 2023.

Please note that eligible candidates can also apply for this award by contacting their national urological society directly. The candidate is then expected to supply their national society with a CV and the above mentioned documents, requesting a letter of endorsement.
