

EAU Prostate Cancer Research Award 2024

For the best paper published on clinical or experimental studies in prostate cancer

With the goal to encourage innovative, high-quality research in prostate cancer, the EAU has launched the **EAU Prostate Cancer Research Award**. Supported by the Fritz H. Schröder Foundation, an expert jury will select the best paper dealing with clinical or experimental studies in prostate cancer.

The award will be handed over at the 39th Annual EAU Congress in Paris, 5-8 April 2024, during the Opening Ceremony.

Join this competitive search and help boost the quality of prostate cancer research in Europe!

Rules and Eligibility

- The topic of the paper should deal with clinical or experimental prostate cancer research.
- The paper must have been published or accepted for publication in a high-ranking international journal between 1 October 2022 and 30 September 2023, and submitted in English.

- Applicants must be a member of the EAU.
- The submitting author must be the first author of the paper or, by exception, the corresponding senior last author.
- Applicants should only submit one paper in this category. Please note that the submission of a paper is restricted to one award category only.
- Deadline for submission by e-mail is 1 November 2023.

A review committee will screen all entries, and an independent jury will select the best paper based on quality and merit.

How to apply

Inquiries and correspondence should be addressed to the EAU Central Office, at m.smink@uroweb.org, with "EAU Prostate Cancer Research Award 2024" in the subject line of your e-mail.

The award is supported by a grant of €5,000 from the Fritz H. Schröder Foundation.
