FAIREXX

Dear exhibitor,

The organiser of the exhibition during the annual congress of the European Association of Urology to be held in Amsterdam has appointed our organisation as their official forwarder and exclusive lifting agent. We are very proud of that and want to achieve a high quality exhibition logistics.

Being sole official logistics partner on-site implies that operations with any mechanical lifting equipment (e.g. on-site forklift services, electrical pallettrucks) may only be handled by Fairexx as well as on-site services as empty case and full goods storage.

Should you have any questions, remarks etc. regarding your transport or the local handling, please do not hesitate to contact us.

We provide all relevant services:

- Transport from your place to/from Amsterdam
- Roadfreight, airfreight, seafreight
- All customs handling
- Shipment transfer from port or airport
- All technical lifting
- Storage of empties
- Storage of brochures, give aways etc.
- Labour assistance for standfitting, unpacking

When needed you can always ask us for a specific quotation. Please mention all relevant details we need and specify on the quotation request form.

We look forward to meeting you in Amsterdam.

Sincerely yours,

Paul van Zijl
